Maple Bridge Night Mooring

tradukita de Zhao Yanchun

The moon setting, crows cawing, frost overfilling the skies,
The maples riv'rside, lamps aboard, sad the fishermen's eyes.
The toll from the Cold Mountain Temple outside of Suchow
Reaches my boat at midnight and floods my sleepless sorrow.

Traduko de la ĉina poemo "Fēngqiáo Yè Pō" de Zhāng Jì en la Anglan de Zhao Yanchun.
