*An ancient legend of the Rhine*

*Tiu traduko estas poste iom modifita de aliuloj, ne estas la origina traduk-versio de Leopold Elb.*

I cannot divine what it meaneth,  
This haunting nameless pain:  
A tale of the bygone ages  
Keeps brooding through my brain:

Ne scias mi, kial mi estas  
Malgaja en la kor'.  
Antikva fabelo re-  
stas  
Por ĉiam en mia memor'.

Ignoro, quid id sibi velit,  
Tristissimus cur sim,  
Antiqui aevi fabel-  
lam  
Cur saepe volver-  
im.

I do not know what it signifies.  
That I am so sorrowful?  
A fable of old Times so terrifies,  
Leaves my heart so thoughtful.

The faint air cools in the gloaming,  
And peaceful flows the Rhine,  
The thirsty summits are drinking  
The sunset's flooding wine;

Vespero jam ekmal-  
heliĝas,  
Fluadas la Rejn' en trankvil',  
La supro de l' mon-  
to lumiĝas  
En vespersuna bril'.

Vesperascit et fri-  
gescit,  
Et Rhenus leniter it,  
Cacumen montis lucescit,  
Dum Phoebus oc-  
cidit.

The air is cool and it darkens,  
And calmly flows the Rhine;  
The summit of the mountain hearkens  
In evening sunshine line.

The loveliest maiden is sitting  
High-throned in yon blue air,  
Her golden jewels are shining,  
She combs her golden hair;

Belega knabino jen tronas  
Kun ora juvelar',  
La belan vizagón kronas  
Mirinde la ora ha-  
rar'.

Sedet in summo montis  
Virgo pulcherrima,  
Auro nitet gemma frontis,  
Se pectit auricoma.

The most beautiful Maiden entrances  
Above wonderfully there,  
Her beautiful golden attire glances,  
She combs her golden hair.

She combs with comb that is golden,  
And sings a weird refrain  
That steeps in a deadly enchantment  
The listener's ravished brain:

Ŝi uzas kombilon el oro  
Kaj dume kantas ŝi.  
Mirige tuſas al koro  
Sorĉiga la melodi'.

Aureolo pectine pectit,  
Carmen canens procul,  
Mirandum id habet modum  
Nec non virilem si-  
mul.

With golden comb so lustrous,  
And thereby a song sings,  
It has a tone so wondrous,  
That powerful melody rings.

...

...

...

...

The doomed in his drifting shallop, Is tranced with the sad sweet tone, He sees not the yawning breakers, He sees but the maid alone:	Kaj sopiregon ek-sentas Ŝipisto dum sia vetur'; Rifaron li ne priatentas, Al monto rigardas li nur.	In cymba navitam mille Angores feri tenent, Non videt scopulos ille, Ocli non si sursum vident.	The shipper in the little ship It effects with woe sad might; He does not see the rocky slip, He only regards dreaded height.
--	--	--	--

The pitiless billwos engulf him! So perish sailor and bark; And this, with her baleful singing, Is the Lorelei's gruesome work.	Mi kredas, ke dro-nos finfine Ŝipisto kun sia boat', Kaj tion kaŭzis fei-ne La Loreleja kantad'.	Opinor undas devorare Nautam cum navi-cula, Effecit solo canendo Lurleia id dea.	I believe the turbulent waves Swallow the last shipper and boat; She with her singing craves All to visit her magic moat.
