

Ernst Anschütz,

Fox, you stole my goosey gander

*tradukita de N. N. 24*

Fox, you stole my goosey gander,

|: Give him back to me, :|

|: Else I'll call the forest ranger

Who'll shoot you with glee. :|

He has a long and big shot gun

|: He'll aim at your head, :|

|: Down your face, red ink will run

And then you will be dead. :|

Dearest fox, let me advise you

|: A thief not to be, :|

|: With a mouse you may make do,

But leave the goose for me. :|
