

Ernst Anschütz,  
 Fox, you stole my goosey gander

*tradukita de N. N. 24*

Fox, you stole my goosey gander,  
 |: Give him back to me, :|  
 |: Else I'll call the forest ranger  
 Who'll shoot you with glee. :|

He has a long and big shot gun  
 |: He'll aim at your head, :|  
 |: Down your face, red ink will run  
 And then you will be dead. :|

Dearest fox, let me advise you  
 |: A thief not to be, :|  
 |: With a mouse you may make do,  
 But leave the goose for me. :|
