

Christian Morgenstern, The Werewolf	Christian Morgenstern, Varulven	Christian Morgenstern, Le loup-garou	Christian Morgenstern, The Banshee (An Approach)
<i>tradukita de Alexander Gross</i>	<i>tradukita de Sven Collberg</i>	<i>tradukita de R. Platteau</i>	<i>tradukita de Max Knight</i>
A Werewolf, troubled by his name, Left wife and brood one night and came To a hidden graveyard to enlist The aid of a long-dead philologist.	En varulv lopp från fru m.m. en vacker afton samt begav sig till en bymagisters grav och bad: "Var snäll och konjugera.	Un loup-garou, une certaine nuit, Laissera sa moitié et puis se rendit Auprès de la tombe d'un maître d'école Et lui dit, " sur moi dis tout, c'est ton rôle ! "	One night, a banshee slunk away from mate and child, and in the gloom went to a village teacher's tomb, requesting him: "Inflect me, pray."
"Oh sage, wake up, please don't berate me," He howled sadly, "Just conjugate me." The seer arose a bit unsteady Yawned twice, wheezed once, and then was ready.	mig!" Byskolläraren stod upp på blecknamnsskyltens mässingknopp med svar till den, som satt på pass med tåligt korslagd tass på tass.	Un loup-garou, une certaine nuit, Laissera sa moitié et puis se rendit Auprès de la tombe d'un maître d'école Et lui dit, " sur moi dis tout, c'est ton rôle ! "	The village teacher climbed up straight upon his grave stone with its plate and to the apparition said who meekly knelt before the dead:
"Well, 'Werewolf' is your plural past, While 'Waswolf' is singularly cast: There's 'Amwolf' too, the present tense, And 'Iswolf,' 'Arewolf' in this same sense."	"Jag var-ulv 1:a pers. i sing., du, han, hon, den, det var-ulv. Så vi voro-ulv, I vor-en. På de voro-ulv kom ingenting."	" - On peut à ton sujet puisque nous y sommes Se demander encor bien des choses en somme. Loup-garou ? mais avant Il faut se dire : loup-garou quand ?	"The banSHEE, in the subject's place; the banHERS, the possessive case. The banHER, next, is what they call objective case—and that is all."
...

<p>“I know that—I’m no mental cripple— The future form and participle Are what I crave,” the beast replied. The scholar paused— again he tried:</p>	<p>Varulven myste glad åt hur pers. hade följts av sing. och plur. “Fast”, bad han, “kan det inte ges ens en enda pers. i tempus presens?”</p>	<p>Loup-garcomment ? et puis Bien évidemment loup- garqui ? ” Toutes ces questions sem- blèrent au loup bien absconses, Car en fait ce qu’il voulait c’était les réponses.</p>	<p>The banshee marve- led at the cases and writhed with pleasure, making faces, but said: “You did not add, so far, the plural to the sin- gular!”</p>
<p>“A ‘Will-be-wolf?’ It’s just too long: ‘Shall-be-wolf?’ ‘Has- been-wolf?’ Utterly wrong! Such words are wounds beyond all suture— I’m sorry, but you have no future.”</p>	<p>Bekänna måste vår magister, att därvidlag fanns vissa brister. En varulv sine im- perfecto var contradictio in adjecto.</p>	<p>“ - Point de réponses, dit le puits de savoir, Etre imaginaire, nul ne peut te voir ! ” A ces mots l’animal éclata tout en larmes. “ - Oh!, même les baisers de ma douce moitié</p>	<p>The teacher, though, admitted then that this was not wi- thin his ken. “While bans are fre- quent”, he advi- sed, “A she cannot be plurized.”</p>
<p>The Werewolf knew better—his sons still slept At home, and home- wards now he crept, Happy, humble, without apology For such folly of philolo- gy.</p>	<p>Varulven satt med tårad lins. Han visste att han fanns och finns. Därtill kom också fru m.m. som även måste existera.</p>	<p>Ne pourrons plus me faire me sentir tout entier. Rester un loup-garou est un sort qui m’alarme. ” Mais comme le loup était bien poli Il remercia et puis repartit.</p>	<p>The banshee, rising clammily, wailed: “What about my family?” Then, being not a learned creature, said humbly “Thanks” and left the teacher.</p>
