

Mu Du,  
Jiangnan Spring  
*tradukita de N. N. 72*

A thousand miles of oriole songs and red among the green  
Of wine flags flapping along the shore and in the hills  
Four hundred and eighty temples built by the Southern Court  
And how many pagodas in the land of mist and rain.

*Traduko de la ĉina poemo “Jiāngnán Chūn” de MU DU (Du Mu, \*803 – †852) en la Anglan de N. N. 72.*
